

Chetan Holiyappa

Contact Numbers: +91-7338025205(M)

Email: Chaytonah@gmail.com | Location: Bengaluru | LinkedIn: <https://www.linkedin.com/in/caholiyappa/>

Professional Profile

- Strategic Talent Partner with 10+ years of experience in **product, SaaS, and technology hiring**, with a strong focus on building scalable and efficient hiring practices.
- In recent experience, have worked on improving recruitment workflows using **automation and AI-assisted tools**, including hands-on exposure to platforms like **Juicebox** and **ChatGPT** for supporting sourcing, screening, and candidate engagement.
- Known for combining market intelligence, stakeholder collaboration, and process optimization to deliver consistent hiring outcomes across global teams.

Career Highlights

Product Hiring & Scalable Recruitment:

- Built and scaled hiring pipelines for product, engineering, and design roles across **SaaS and technology-driven organizations**.
- Delivered consistent hiring outcomes by aligning sourcing strategies with business needs and talent market insights.

Automation & Process Optimization:

- Implemented **Lever ATS automation and structured workflows**, reducing manual recruiter effort by **~40% and improving hiring efficiency**.
- Streamlined recruitment processes across sourcing, screening, and coordination stages to enhance speed and consistency.

AI-Assisted Hiring Practices:

- Explored and applied **AI-assisted tools (Juicebox, ChatGPT)** to support recruiter workflows such as outreach drafting, screening support, and follow-ups.
- Worked on **workflow-based automation approaches (POC level)** to improve efficiency in repetitive recruitment tasks.

Data-Driven Hiring & Market Intelligence:

- Leveraged tools like **Power BI, Talent Neuron, and SeekOut** for talent mapping, market analysis, and sourcing effectiveness.
- Used data insights to improve hiring decisions, candidate quality, and pipeline health.

Stakeholder Management & Collaboration:

- Partnered with product, engineering, and business leaders to define hiring strategies and deliver against growth plans.
- Built strong relationships with stakeholders to ensure alignment on hiring priorities and timelines.

Employer Branding & Candidate Experience:

- Improved job descriptions and employer branding using **SEO-driven approaches**, increasing organic applications and candidate engagement.
- Focused on delivering a structured and **positive candidate experience** across all hiring stages.
